

## Now Hiring Bus Drivers

**Imagine Monday mornings where people are excited to see YOU!** Many of our children look for and are very excited to see our bus drivers arrive to pick them up. They know that our bus drivers are there to take them to see their teachers and friends.

**Our bus drivers are HEROES to the children and families we serve.** Many of our families do not have reliable transportation. Our bus drivers help children attend our program and get safely back home even if the car isn't running...*again*. Some of our families are food insecure. By bringing the children to our program, our bus drivers help to make sure that the children who may not have enough food at home are being fed that day. Unfortunately, a few of our children are living in chaotic home environments. For these children, our bus drivers are the heroes who pick them up to bring them to school where they can escape the chaos for a little while.

**Our bus drivers** may never know the backstory for a child on their route but every day they **are making a difference. Every. Single. Day.**

While this position is meant for people who enjoy working with young children (ages 3-5 years), know that every route has a bus rider/assistant teacher so that your focus can be on safe driving.

Must have valid CDL with Passenger/School Bus Endorsement. This is a full-time position (Monday - Thursday with occasional Friday hours throughout the school year). Drivers are paid for the entire 8 - 10 hour shifts and we offer a full benefits package. If you do not have a CDL, we will help you get one.
