

Head Start Teacher

We are looking for you if you are committed to helping young children and their families thrive and succeed. We are a federally funded nonprofit organization based in Waukesha and serving families throughout Waukesha County.

As part of our Head Start team, your primary responsibilities will include:

Being the leader of a classroom team facilitating our comprehensive early childhood education program for a classroom of 17-18 children (ages 3-5).

Establish “Compassionate partnerships” with families of enrolled children through home visits, conferences and ongoing contact.

We have a culture of commitment to excellence and a supportive work environment that encourages innovation.

Educational Qualifications: Associate degree or Higher in Early Childhood Education or a closely related field.

This is a fulltime- school year position.

If you want to learn more about our wonderful program and workplace and to see if this position would be a good fit:
